

The ConDecor Broadcast Flake System is a durable, high performance decorative concrete covering that creates a granite look. You can determine the density of coverage to meet the appearance you wish to create. In addition to adding beauty to your floor, it adds traction and hides imperfections in the concrete.

SALT & PEPPER

The colors represented above are to serve as a guide only. Variations may occur due to a wide range of variables, including but not limited to, the quality and degree of workmanship and application. The colors displayed are accurate to laboratory samples. If exactness of color is hypercritical, it is recommended that a job site test panel/slab is placed and finished. Professional use only.
